Natural Beauty

Northern California in the fall is stunning, with warm days and cool nights. If you have time to linger, we suggest spending additional nights in Sonoma to sample the food and wine and browse the eclectic shops and galleries. San Francisco is a destination in itself with theatres, world class shopping, waterfront restaurants and the cable cars to ride. Perhaps take a ferry across the Bay to Tiburon and Sausalito, experience the thrill of a helicopter ride above the Golden Gate Bridge or watch the street entertainers at Fisherman's Wharf.

Golden History

This route takes in some of the State's most beautiful scenery, around Sutter Creek the rolling hills turn from green to gold, and in Redwood National Park the mist drifts between the giant trees. If you like to walk add days in Yosemite – we can arrange rental homes for families or parties of up to 8. Why not add a stay at Lake Tahoe, between Sutter Creek and Lassen, or a night or two at Crater Lake Lodge between Klamath Falls and Grant's Pass – time at either will enhance your experience.
